

Head protection

# Airspec

## SAFETY GLASSES

Unique goggle-like spectacle , stainless steel 0.45mm mesh lens guaranteed no fog no scratch- non rusting mesh lens with 0,8mm openings- great for fruit crop and arborist workers -not impact rated

### Specific benefits

#### Comfort

- Ample indirect venting on the top and bottom of the lens to reduce moisture infiltration and fogging
- Fork-type headband provides low and consistent pressure on the wearer's head without sacrificing comfort.

#### Performance

- Barrier against dust and sweat
- Design incorporates brow protection and both side shields and vents.
- For humid environments where nothing else keeps lenses from fogging up.
- Optimised ventilation with increased protection from projections

### Applications

- **Agriculture**
- **Public Works**
- **Building**
- **Finishing Works/Craftsmanship**
- **Firefighters & First Responders**
- **Manufacturing/Transformation**
